RETAIL X'clusive collection

#### **DESIGN**

Vincent Dejonghe

## LABEL

MOBITEC labeled product

## **TYPE**

dining room table, total height 76cm

#### **TABLETOP**

24mm thick solid wood tabletop, with rounded edge, available in oak (E) or walnut (N).

# EXTENSION(S)

#### FEET

One table consists of two legs:

The foot is fixed with 5 metric screws type M8x30.

Base made of veneered plywood, always the same color as table top.

5 feet or casters (with extension) per foot.

Each foot has two weights (made of concrete) to provide the necessary stability. They are attached before packing, but can be dismantled by the customer.

# **SPECIAL FEATURES**

Fastening element of the feet always black, screwed and glued.
