DISTRIBUTION

RETAIL X'clusive collection

DESIGN

Vincent Dejonghe

LABEL

MOBITEC labeld product

TYPE

dining room table, total height 76cm

TABLETOP

31mm - Black MDF base, real veneer

- Straight edges: Natural wood
- Beveled edges: Black MDF

Available in Oak (E) in the usual colors and in Walnut (N) only in N11.

Underside:

- For E10: Black
- For other colors: Natural

EXTENSION(S)

FEET

One table consists of two legs:

- 45*24cm for the tables up to a width of 115cm
- 55*29cm for tables wider than 135cm

The foot is fixed with 5 metric screws type M8x30.

Base made of veneered plywood, always the same color as table top.

5 feet or casters (with extension) per foot.

Each foot has two weights (made of concrete) to provide the necessary stability. They are attached before packing, but can be dismantled by the customer.

SPECIAL FEATURES

Fastening element of the feet always black, screwed and glued.

SECURITY

Our tables are heavy and require two people to assemble or move them.
