TYPE

dining room table, total height 76cm

TABLETOP

Tabletop (31mm) (organic) with real wood top veneer (0.6mm) in "hungarian point" design with real wood edge, available in all colours on oak (E) or in walnut (N11).

The beveled tabletop is made of black MDF.

The underside of the tabletop is natural. Exception: in black matt lacquered oak (E10) the underside is also black.

EXTENSION(S)

This version is always without extension

FEET

For each table size, it is possible to position the legs in two different directions.

This position of the legs must be defined at the time of assembly. However, this can be changed later on.

Each leg has 3 adjustable gliders.

Base in veneered plywood, always in the same colour as the tabletop.

SPECIAL FEATURES

tables longer than 270cm are delivered with a returnable packaging system

SECURITY

Our tables are heavy and require two people to assemble or move them.
