TYPE

Meeting table, total height 76cm.

TABLETOP

30mm thick Top exclusively in solid oak, with "soft touch" edge, available in all shades of oak.

Depending on the size, the top can be made up of 2, 4 or even 6 different parts.
When a table top is made up of several parts, these are screwed together from underneath the table to form the complete tray.

EXTENSION(S)

This version is always without extension.

SECURITY

Our tables are heavy and require two people to assemble or move them.

FEET

Depending on the size of the table there are 3 types of feet.
Regardless of their position, feet are always in solid oak and equipped with adjustable WAGNER© glides.
Metal frame in steel wire Ø12 mm. The color of this metal structure is at your choice, among our range of metal colors.

SPECIAL FEATURES

For technical reasons, the table top can be supplied in several parts to fixed together.
