The beveled edge, as well as the underside of the table top are lacquered in a color matching the color of the Fenix decor.

## EXTENSION(S)

This version is always without extension.

## FEET

The feet are always in solid oak and equipped with adjustable WAGNER® glides.  
Metal frame in steel wire Ø12 mm. The color of this metal structure is at your choice, among our range of metal colors.

## SPECIAL FEATURES

For technical reasons, the table top can be supplied in several parts to fixed together.

Depending on the size, the top can be made up of 2, 4 or even 6 different parts.

When a table top is made up of several parts, these are screwed together from underneath the table to form the complete tray.

## SECURITY

Our tables are heavy and require two people to assemble or move them.
